

Exhibit 1

This document is incorporated by reference into the Lease Agreement between Tenant and Landlord. You agree to these “Rules and Regulations” for the purpose of preserving the welfare, safety, and convenience of tenants in Nittany Place, for the purpose of making a fair distribution of services and facilities for all tenants and for the purpose of preserving our property from abusive treatment. A violation of these Rules and Regulations may be deemed a default by you, and may result in termination of the Lease Agreement.

We reserve the right to pursue our rights and remedies under the Lease for any single violation of these Rules and Regulations, if, in our sole discretions, we deem the violation to be of sufficient severity to warrant action under the Lease. Violations of these Rules and Regulations will be addressed generally in accordance with the following procedure:

First: If there is an initial complaint, referral or other information of possible violation of these Rules and Regulations of which we become aware, we will investigate, and if we conclude that there has been a violation but, in our judgment, not one of sufficient severity to warrant our taking action under the Lease, we will issue a written warning to you and your guarantor outlining the violation.

Second: if there is a second possible violation we will again investigate, and if we conclude that there has been a violation but not one, in our judgment, of sufficient severity to warrant our taking action under that Lease, you will be assessed an administrative fee not to exceed \$100.00 to cover our time and expenses in investigating the violation. You agree that this administrative fee is reasonable and that you will pay it immediately upon your request for payment.
